Dr. Nuzhat Fatima, Assistant Professor, Dept. of Medieval History, Hamidia Girls' P.G. College, Allahabad receiving Subramaniam Bharti National Award from Chief Minister of Uttar Pradesh, Sri Adityanath Yogi.

It is a matter of pride for the family of Hamidia Girls' P.G. College, Allahabad that a young budding writer who recently been appointed as Assistant Professor in the Department of Medieval History, Hamidia Girls' P.G. College has brought this laurel to the college as well to the state of U.P. She is the alumna as well as teacher of this college with research oriented mind and brilliant career as well.

The work she has done is creditable because the contribution of sacrifices of our Indian patriots offered in the freedom struggle during 1857 has been brought to masses by translating the book in Hindi. The title of the book is 'Baghi Hindustan' which was originally written on pieces of paper in Arabic by using charcoal by Mr. Fazle Haq Khairabadi during his life-term at the Andaman Islands. These pieces were collected by his son and offered to Maulana Abul Kalam Azad who was Arabic scholar too, who got it published in the same language. Later on it was translated in Urdu by Maulvi Mohammad Abdul Al Shahid Khan Sherwani, A.M.U. But for the first time this book is translated from Urdu to Hindi by Dr. Nuzhat Fatima. No doubt credit goes to the team of litterateurs who have evaluated the book and recommended for this prestigious award that was given by the Hon'ble Chief Minister in a glittering function held at the residence of Chief Minister, 5 Kalidas Marg, Lucknow on 22nd January 2018.

College offers its best wishes to add more original and hiding works through her writings as she has many such projects in her list.
